

Dean: William H. Riffe, PhD

Joined UF faculty and appointed Dean: June 1996

PO Box 100484
Gainesville, FL 32610
Phone: (352) 273-6312
Fax: (352) 273-6306

Students	2,165
PharmD.	1201
M.S./Ph.D.	296/95
WPPD	753
Faculty (total - full-time)	63
(tenure track)	40
(non-tenure track)	23
Degree Programs	3
Locations	Gainesville Jacksonville Orlando St. Petersburg
Operating Budget (FY 07-08)	\$33.7M
Research Funding (FY 07-08)	\$7.9M

Education and Outreach:

- PharmD program offered via distance education; has allowed the College to more than double the student body to meet pharmacist shortage in Florida.
- For the Working Professional Pharm.D. (WPPD) program, the college employs an additional 58 part-time faculty to help teach nearly 750 students across the U.S., Canada, Europe, and the Caribbean.
- Clinical Pharmaceutical Scientist PharmD/PhD tract has been developed to train and attract clinical pharmacists into translational research as part of the NIH Roadmap Initiative.
- Distance Education Masters Degree in Forensic Science, Toxicology, Chemistry and Serology to 251 students around the world.
- Distance Education Masters Degree in Pharmacy Regulation and Policy, Applied Pharmacoeconomics, Clinical Research Regulation and Ethics, and Patient Safety and Risk Management to 45 health professionals in the United States.

Research:

- \$7.9M level of new external funding revenues, of which \$5.5M or 69.6% was generated from federal sources (NIH and USDA).
- Nationally renowned scientist, Dr. Bergeron, has agents in Phase I and Phase II clinical trials designed to treat liver cancer (hepatoma) or heavy metal toxicity (iron overload).
- Pharmacogenomics emphasis is the research future of our Department of Pharmacy Practice.
- Research in Drug Delivery systems involving nanotechnology, Pharmacokinetic/ Pharmacodynamic (PK/PD) modeling and both viral and non-vector gene delivery.
- Research Programs in Drug Discovery utilizing marine flora and fauna as well as programs in anti-obesity, herbals and alcoholism.

College of Pharmacy Actuals:		
Grants/Contracts	\$ 7.9M	24.6%
State Funding	\$12.6M	37.3%
DOCE/AEF/MISC	\$12.8M	38.1%
